Welcome to the International Programs (IP) family! Please review the following steps you need to take in preparation for your program abroad. We recommend referencing this document before and during your program for important information pertaining to International Programs and Tallahassee main campus.

After reviewing this document, please email IP-Freshmen@fsu.edu or call 850.644.3272 with questions about the FSU International Programs First Semester Abroad Pathway program.

As a condition of admission to the University, those who have been offered admission to FSU for the summer term or through the Pathways program will be enrolled in an online course, *Global Foundations, offered by International Programs during the Summer C 2019 semester (June 24-August 2). International Programs will manually enroll you in this course. After successful completion of this course (grade of C or better), you would then study abroad for the Fall 2019 semester and return to main campus (Tallahassee) for the Spring 2020 semester. Global Foundations is an online course; you do not need to reside in Tallahassee to complete the course, and you should not contract with FSU Housing over the summer 2019 term.

*INR 3932 Global Foundations (online, 3 credits, graded, ISS/International Relations course or elective)
This online course is designed to introduce you to the basic concepts and theories associated with intercultural communication skill development and to help acquaint you with your host country. Weekly topics will also include best practice discussions on life abroad. Example topics include budgeting, health, safety, and cultural adjustment expectations. Course work will be mainly discussion and reflection based but will also include interactive assignments such as cooking a local dish and blogging the results and researching a site in your host location that you are most excited to see in person.
INTERNATIONAL PROGRAMS ORIENTATION (IPRE-DEPART)
Rather than attending a regular orientation session with the Office of New Student and Family Programs before you study abroad, you are required to attend IPre-Depart, a two day, one night orientation hosted on main campus by International Programs. This mandatory meeting will cover everything from academic policy and procedures, academic advising, class registration, packing tips and finances, to location specifics and safety. It will also provide you with the opportunity to meet and form relationships with fellow program participants. Parents, guardians, and other family members are welcome. By attending, you will receive the information you need before departing on your study abroad experience.

To register for the 2019 FSA IPre-Depart session on June 24 and 25, 2019, please complete our online registration form: https://fsu.qualtrics.com/jfe/form/SV_emq8GrXqn9BtOAZ.

If you are unable to attend IPRe-Depart, complete our online appeal form: https://fsu.qualtrics.com/jfe/form/SV_42BITFGiXV8pXDF. All appeals will be considered.

When you return from being abroad, you will attend a mandatory main campus orientation session. Registration for this event will be emailed to you by the Office of New Student and Family Programs. It is usually scheduled the Thursday or Friday before classes begin for that semester. Please plan accordingly. DO NOT REGISTER AND PAY FOR MAIN CAMPUS ORIENTATION PRIOR TO GOING ABROAD.

ADMISSIONS AND/OR HOUSING DEPOSITS
If you have already paid an Admissions and/or on campus Housing deposit prior to signing up for the FSA program, you will receive a refund once International Programs receives your commitment fee. The FSU Admissions and University Housing offices will process a refund of any paid deposits when they are informed by International Programs of your decision to participate in the FSA program, which occurs once the commitment fee has been paid or deferred. This process can take up to four weeks. Refer to the Money Matters section of this document for more information.

FSU EMPLID/FSUID/EMAIL ACCOUNT
If you have not already activated your FSUID, please do so prior to IPre-Depart. Having an FSUID does not mean your account is automatically activated. You must take the necessary steps to activate it online: https://fsuid.fsu.edu/OIMSelfService/. Your FSUID will give you access to the myFSU portal, Student Central, your @my.fsu.edu account, and Canvas. You must have an activated FSUID in order to register for classes. The University REQUIREES all students to establish and use their FSU email accounts. Frequently log into myFSU Student Central (http://sc.my.fsu.edu/) to access your FSU email account.

FINAL TRANSCRIPTS AND TEST CREDIT
Your final official high school transcript, showing graduation date, official college/university transcript(s) if dual enrolled, and official SAT/ACT score reports must be submitted BY EARLY JULY to the Office of Admissions, Florida State University, 282 Champions Way, P.O. Box 3062400, Tallahassee FL 32306-2400. DO NOT SEND OFFICIAL TRANSCRIPTS TO THE INTERNATIONAL PROGRAMS OFFICE. Use this same address to send AP and CLEP results. Upon receipt of your final transcript(s) and exam scores, the Office of Admissions will check for successful senior-year performance, and verify the self-reported grades and exam scores you provided on your admissions application. Refer to Condition of Admission in Freshman Enrollment Information in your Admissions portal.

ACADEMIC INFORMATION
The ALEKS math placement test is an online, skill-based assessment exam that assists our Math Department in placing you in the appropriate math course during your first semester at FSU. You ARE REQUIRED to take the ALEKS placement exam if you intend to register for Analytic Trigonometry (MAC 1114), Pre-Calculus Algebra (MAC 1140), Calculus with Analytic Geometry I (MAC 2311), Calculus with Analytic Geometry II (MAC 2312) or Calculus for Business (MAC 2233) as your first mathematics course at FSU (in your first semester or subsequent semesters) regardless of AP/IB/AICE/CLEP scores or incoming credit. Students must take the ALEKS test online before registering for any of the math courses listed above. Students should take the ALEKS test before the scheduled IPre-Depart orientation date so they are able to register for a math course while on campus for the IPre-Depart orientation. Compliance with the placement testing requirement will be monitored by the Math Department prior to and during the drop/add period. The Math Department will communicate with students directly regarding any placement testing compliance issues.

To register for the ALEKS exam, go to www.aleks.com and sign up for an account. You will need an access code to successfully sign up. Procedures for taking the ALEKS test are described via the following link: http://www.math.fsu.edu/~bellenot/ALEKS/. If you have any questions regarding the sign up process, please contact the FSU Mathematics Department: advisor@math.fsu.edu.

IDS2060 Global Engagement is a fall semester course that is required of all freshmen starting their Florida State career overseas. It is a one-credit online course that allows you to examine your study abroad country through first-hand encounters and engagement. The coursework gives you the opportunity to explore your country’s unique customs, values, and traditions and compare it with your own through actively participating in cultural experiences. In addition to weekly reflective assignments, the course will ask you to choose a specific custom to report on – such as looking at race and

social class through the football and cricket sporting cultures in England or the significance of the patriarchal society through the courtship dances in Italy.

COURSE REGISTRATION
Registration for fall classes will take place during our IPre-Depart orientation. You will meet with an Academic Advisor from your department during the event to determine the courses for the semester you will be abroad. If you are unable to attend IPre-Depart, you are responsible for contacting your Departmental Academic Advisor before registration opens. As well, you should meet or email with your Academic Advisor each term prior to registration. Use this link to search for your advisor: http://advisor.undergrad.fsu.edu/advisors/advisor-display.php.

You will receive an email from International Programs informing you when registration is open with step-by-step instructions for online registration. Florida State University strongly encourages students to take 15-16 credit hours per semester. Take care of all holds before registration opens. If you have a hold on your account, you will not be able to register for classes. Many classes have caps and do fill up quickly. It is your responsibility to be ready for registration so you are able to enroll in the classes you wish to take while abroad.

INSURANCE
Your Program Fee includes international medical and evacuation insurance coverage. Here is a link to the policy coverage: International Protection Plan (http://international.fsu.edu/Documents/HealthSafety/CISIInsurancePolicy.pdf) underwritten by ACE American Insurance Company and handled for us by Cultural Insurance Services International, 1 High Ridge Park, Stamford, Connecticut 06905-1322. The coverage will be effective for participants from the day the program starts until the day the program ends. This policy is NOT intended to replace your domestic coverage. You must maintain your domestic policy in compliance with the Affordable Care Act.

INOCULATION/MEDICAL CONCERNS AND SPECIAL NEEDS
Florida State University requires certain immunizations prior to your registration for classes. All recently admitted FSU degree-seeking students must complete the required Student Immunization Form. The form must be submitted directly to Florida State University Health Services (see form for details). You must also show proof of adequate domestic (U.S.) health insurance coverage. Information on how to purchase or waive insurance can be found here: http://studentinsurance.fsu.edu/. Although International Programs provides overseas health insurance, you must also have domestic coverage. It is very important that you make yourself aware of specific requirements and health matters in your program location. The FSU Health and Wellness Center offers a travel clinic which provides immunizations. Additional information is available through the Centers for Disease Control and Prevention’s site: www.cdc.gov/travel/. Please note that some countries have specific requirements for inoculations based on past locations the traveler has visited. It is the student’s responsibility to confirm whether or not the previous travel requires additional inoculations.

Be sure to bring sufficient quantities of any prescription medications with you to last the duration of your stay. Keep these in their original containers. Bring a copy of a legible prescription from your doctor and be aware that not all U.S. drugs are available elsewhere. In particular, Adderall and Concerta are not available in all countries. Don’t postpone discussing your prescription needs with your doctor. You will likely need to work with your insurance company to cover your vacation prescription. If you experience difficulty in obtaining a vacation prescription, seek assistance from our office. If you use glasses or contact lenses, take an extra pair and/or the prescription. Complete routine medical and dental care before you leave.

If you wish to receive accommodations for special needs, it is imperative that you register with the FSU Student Disability Resource Center (SDRC) as soon as possible, so we can assess our ability to provide appropriate accommodations. If time permits, you may wish to schedule a face-to-face meeting before or after IPre-Depart. For more information, please visit their website: https://dos.fsu.edu/sdrc/.

MAIN CAMPUS HOUSING FOR THE SPRING TERM
As an FSA Pathway student, if you submit your housing contract and all required deposits/signatures according to the deadlines established by FSU Housing, you will be guaranteed an assignment somewhere on-campus for the Spring semester. FSU Housing will send you an email to your FSU email account in September with the associated details and deadlines. For additional information and instructions, visit the FSU Housing Spring contract website (Spring 2020 was not listed at the time of publication): https://housing.fsu.edu/future-residents/contract-and-processes/housing-contracts#spring-contract or contact FSU Housing at 850.644.2860; housinginfo@fsu.edu.

Students on programs requiring more than six months of
passport validity will be notified by the International Programs
office.

If you do not have a passport at the time of application or do
not have at least six months of validity from the end of the
program, you should apply for one IMMEDIATELY! Please
review estimated passport processing times and visa
deadlines (if applicable), as it may be necessary to expedite
the order. Any financial penalties associated with delayed

After you receive your passport, make several photocopies of
the pages that contain the issue date, your signature, and
your photograph. Leave one copy at home with your family
and take another copy with you in case your passport is lost
or stolen. Carry a copy separate from your passport when you

STUDENT VISAS
International Programs will provide visa guidance for all
locations prior to departure. Certain countries require student
visas regardless of country of origin, while other countries
may require a student visa only of non-U.S. citizens. Rules,
requirements, and procedures change frequently. Reference
the Site Specific Packet for your location or visit the Visa tab
on your program page for more information. Any non-U.S.
citizen or a U.S. citizen living outside of the U.S. should
contact our Visa Specialists at IP-Visas@fsu.edu as soon as
possible. A non-U.S. citizen or a U.S. citizen living abroad may
be required to apply on their own or may have additional visa
requirements. Independent travel or summer location options
may be affected due to immigration changes. International
Programs will notify participants of any changes as we
become aware.

Spain and Florence students should not plan any summer
2019 travel requiring a passport. Your passport will need
to be submitted to International Programs or the
appropriate consulate for the processing of your visa. This
does not pertain to Panama or London participants. Panama
participants will apply for and obtain a visa in Panama.

FSA students who wish to extend their program after it
has begun may not be able to due to immigration
limitations. If you want to study abroad for more than one
semester during your freshmen year, you should consider
the First Year Abroad program. Email IP-Freshmen@fsu.edu
or call 850.644.3272 before you pay the commitment fee for
details.
MONEY MATTERS

Program Fees
You must complete your payments and/or the Fee Deferment Form by the payment dates listed for your program (visit the Dates & Docs tab on your program page. Mark your calendar with the payment deadlines for your program.

If you apply to the program after these dates have passed, you must complete the relevant program payments or submit a deferment form immediately to be eligible for admittance. Students who are late in completing program payments or filing a deferment form run a substantial risk of being cancelled from the program and may still be liable for fees. Should you wish to cancel on or prior to the published due date, your cancellation must be placed in writing to IP-Cancel@fsu.edu to be valid. For more information about our fee liability and refund policy, visit your program page and navigate to the Money Matters tab.

International Programs accepts payment by check (made out to Florida State University), money order, and the following credit cards: American Express, Discover, MasterCard, FSUCard, and VISA. You may also phone in credit card payments at 850-644-3272 or 1-800-374-8581. We do not currently charge a service fee for credit card payments received in person or by phone. We will advise you of any changes. Our office does not have the ability to accept online payments at this time.

Once the commitment fee is received, International Programs will notify the FSU Admissions and University Housing offices of your intention to participate in the FSA program. The Admissions office will then adjust their records to reflect that you are an FSA student. Students whose admission is rescinded by the Office of Admissions after the International Programs commitment fee has been paid or deferred remain fee liable for the commitment fee. Refer to Conditions of Admission sent to you by the Admissions office.

After you have finished paying for your study abroad program through FSU International Programs, please make arrangements for all future payments to be sent to FSU Student Business Services, A1500 University Center, Tallahassee FL 32306-2394. The checks should be made payable to FSU. Be sure to include your student number or FSU/ID, name, address and telephone number on your checks. For more information regarding payments to FSU: https://studentbusiness.fsu.edu/payments.

UNIVERSITY FEES NOT INCLUDED IN THE IP PROGRAM FEE
Florida State University assesses a Technology Fee (a rate per credit hour for all students, regardless of location of study) which is NOT included in the International Programs fee. The technology fee is assessed once the student registers for classes for a given semester; this fee is paid directly to Student Business Services. To pay the fee, you may mail a check directly to Student Business Services, A1500 University Center, Tallahassee, FL 32306-2394 or remit payment online at www.fees.fsu.edu. Failure to pay this fee will result in a late payment charge assessed to the student by Student Business Services (http://studentbusiness.fsu.edu/payments). International Programs has no control over the technology fee or any associated late payment penalty. The technology fee for the 2018-2019 school year was $5.25 per credit hour.

International Programs fees DO NOT include Facilities and Equipment Fees which are assessed each semester for some majors (Digital Media Production, Fine Arts, Motion Picture Arts, Music, Nursing, etc.) even though you are studying abroad. If you are in one of these colleges/majors, you will be assessed a fee. Details can be found on the Registration Guide, under Fees and Financial Information (http://registrar.fsu.edu/registration_guide/).

PAYMENT DEADLINES, DEFERMENTS & FINANCIAL AID
Students who have applied for financial aid should check their myFSU account. In the My Finances section of the home page, click the Financial Aid tab for award and other information. Again, pay attention to the important dates and deadlines for your program. Your place in the program is not confirmed until you pay or defer the $1,500 commitment fee. You can submit a Fee Deferment Form if you plan to use financial aid or scholarships to assist with payment of fees. The form can be found under the Money Matters tab of your program page. The form must be returned in accordance with the payment deadlines for your program.

You become fee liable for the non-refundable $1,500 commitment fee on the date of receipt of payment or deferment of the fee. Navigate to the Money Matters tab on your program page to view the First Semester Abroad Pathway Fee Liability policy.

Review your Financial Aid file and make certain all required steps are complete prior to departure. Please contact the International Programs Financial Aid team at IP-FinancialAid@fsu.edu or 850.644.3272 with any questions about financial aid.
