STUDENT VISA APPLICATION OVERVIEW

It is time to begin the process of obtaining your student visa. As a student studying in another country, you must obtain a visa. *The receipt of which is a privilege, not a right.* Each foreign country has the right to establish its own parameters for granting a visa, and as an American requesting permission to enter that foreign country, you *must* abide by all requirements. We will be applying for the visa on your behalf, therefore, please submit your visa application and all supporting documents to International Programs by **June 21st, 2022.**

PASSPORT
You will need a passport valid for at least 6 months beyond your planned return from Italy containing at least 2 blank visa pages. We understand that there are currently delays in passport processing due to COVID-19. If you have not informed IP of your current passport status, please email IP-Visas@fsu.edu. If you have not yet received your passport, please continue to submit all other documents that do not require passport information. You can submit your passport and forms requiring a passport number once you receive your passport.

RETURN OF PASSPORT
Once your visa is processed and returned by the consulate, your passport/visa will be available for pickup in our office or mailed to you from Tallahassee. It is vitally important that we know your correct, current mailing address at all times. You will be notified before the passport/visa is returned to you to verify your address and availability for signature of receipt.

INTERNATIONAL TRAVEL
A visa is a seal that is affixed inside the passport. As such, all students will be required to submit their *original passport* to International Programs. For this reason, international travel will be limited in the months before the start of the program. Any students with summer international travel plans must contact an immigration specialist at IP-Visas@fsu.edu.

NON-US CITIZENS
The requirements for non-U.S. citizens are slightly different. Rules, requirements, and procedures change frequently; however, please be advised that you will need your U.S. Alien Registration Card (green card) or U.S. visa (B1/B2 Visas not allowed) allowing you to return after your time in Italy. If you hold a passport within the European Union, you may not be required to obtain a visa. Any non-US citizen is to contact an Immigration Specialist at ip-visas@fsu.edu.

IMPORTANT WARNING
*Please be aware that any expenses incurred during the visa process are completely non-reimbursable by International Programs under any circumstance.* We must receive your student visa application and supporting documents by **June 21st** for FSU International Programs to apply for your visa on your behalf. If you choose to obtain your student visa on your own, please be aware that failure to obtain a student visa does not release you from responsibility of the full program fees. If you are unable to submit your visa application by the deadline or plan to obtain your visa on your own, please contact International Programs *immediately* at IP-Visas@fsu.edu.
DOCUMENTS REQUIRED FOR SUBMISSION

The following documents must be submitted to International Programs no later than June 21st. Failure to submit all documents on time may result in the inability to obtain a visa and thus participate in the program. Read instructions thoroughly as there are many intricacies to this process.

Sono a conoscenza del fatto che il rifiuto del visto non dà luogo al rimborso dei diritti pagati per la trattazione della pratica. I am aware that the visa fee is not refunded if the visa is refused

Sono informato/a del fatto che la raccolta dei dati richiesti in questo modulo, la mia fotografia e, se del caso, la rilevazione delle mie impronte digitali sono obbligatorie per l’esame della domanda di visto e che i miei dati anagrafici figuranzi nel presente modulo di domanda di visto, così come le mie impronte digitali e la mia fotografia, saranno comunicati alle competenti autorità italiane e trattati dalle stesse ai fini dell’adozione di una decisione in merito alla mia domanda. Tali dati, così come i dati riguardanti la decisione relativa alla mia domanda o un’eventuale decisione di annullamento o revoca di un visto rilasciato, saranno inseriti e conservati nel sistema informatico della Rappresentanza diplomatico consolare e del Ministero degli Affari Esteri. Tali dati saranno accessibili alle autorità nazionali competenti per i visti. Inoltre, saranno accessibili alle autorità Schengen competenti ai fini dei controlli sui visti alle frontiere esterne, alle autorità degli Stati membri competenti in materia di immigrazione e di asilo (ai fini della verifica dell’adempimento delle condizioni di ingresso, soggiorno e residenza regolari nel territorio degli Stati membri e dell’identificazione delle persone che non soddisfano, o non soddisfano più, queste condizioni), alle autorità degli Stati membri competenti ai fini dell’esame di una domanda di asilo. A determinate condizioni, i dati saranno anche accessibili alle autorità designate degli Stati membri e a Europol ai fini della prevenzione, dell’individuazione e dell’investigazione di reati di terrorismo e altri reati gravi.

Sono informato/a del mio diritto di ottenere la notifica dei dati relativi alla mia persona registrati nel sistema informatico e del diritto di chiedere che i dati inesatti relativi alla mia persona vengano rettificati e che quelli relativi alla mia persona trattati illecitamente vengano cancellati. Su mia richiesta espressa, l’autorità che esamina la domanda mi informerà su come esercitare il mio diritto a verificare i miei dati anagrafici e a rettificarli o sopprimerli, così come delle vie di ricorso previste a tale riguardo dalla legislazione nazionale. L’autorità di controllo nazionale dei dati è il Garante per la Protezione dei Dati Personali.

Dichiaro che tutti i dati da me forniti sono completi ed esatti. Sono consapevole che le dichiarazioni false comporteranno il respingimento della mia domanda o l’annullamento del visto già concesso e comporteranno la richiesta di avvio di azioni giudiziarie da parte della Rappresentanza ai sensi della legislazione dello Stato (articolo 331 c.p.p.). La mera concessione del visto non dà diritto ad alcun tipo di risarcimento qualora io non soddisfi le condizioni previste dall’articolo 5, paragrafo 1 del Regolamento (UE) n. 562/2006 (Codice Frontiere Schengen) e dell’articolo 4 del D.Lgs. 286/98 e per tali motivi mi venga rifiutato l’ingresso.

I am aware of and consent to the following: the collection of the data required by this application form, submission of my photograph and, if applicable, the taking of fingerprints are mandatory for the examination of the visa application; and any personal data concerning me which appears on the visa application form, as well as my fingerprints and my photograph will be supplied to the relevant Italian Authorities and processed by these Authorities for the purposes of a decision on my visa application.

Such data as well as data concerning the decision regarding my application or a decision whether to annul or revoke a visa issued will be entered into and stored in the Visa Information System of the diplomatic/consular mission and the Ministry of Foreign Affairs. Such data will be accessible to the National Visa Authorities. Moreover, such data will be accessible to the Schengen Authorities competent for carrying out checks on visas at external borders, to the immigration and asylum authorities in the Member States (for the purposes of verifying whether the conditions for the legal entry into, stay and residence in the territory of the Member States are fulfilled and of identifying persons who do not or who no longer fulfill these conditions) to the Member States authorities competent for examining an asylum application. Under certain conditions the data will also be available to designated authorities of the Member States and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences.
I am aware that I have the right to obtain the notification of the data relating to me recorded in the Visa Information System and to request that the data relating to me which is inaccurate be corrected and that the data relating to me unlawfully processed be deleted. At my express request, the authority examining my application will inform me of the manner in which I may exercise my right to check the personal data concerning me and have it corrected or deleted, including the related appeal procedures according to the National Law. The competent authority in charge for personal data is “Garante per la protezione dei dati personali”.

I declare that to the best of my knowledge all the information supplied by me is correct and complete. I am aware that any false statements will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution, under the National Law, with proceedings initiated by the Embassy/Consulate of Italy which deals with the application (Article 331 Penal Code).

The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 5(1) of Regulation (EC) No 562/2006 (Schengen Borders Code) and Article 4 of the Decree no. 286/98 and I am therefore refused entry.

You need to have two passport photos of yourself that are 2 x 2 inches and high resolution. These photos must be different than the photo on your current passport. A photograph printed from a home computer is not a valid, official, picture. Passport photos can usually be obtained at Costco, CVS, or Walgreens. You may also purchase passport sized photos in the International Programs office for $10.74. If you would like to make an appointment to have your photos taken, please email IP-Visas@fsu.edu.

ORIGINAL PASSPORT
You must submit your **original signed passport** (not a copy). A student visa is not a separate document, but a seal that must be affixed inside your passport.

- Please make sure to sign your passport before sending it with your application. Your passport is an invalid document until you have signed it.
- Your passport must be valid for at least six months beyond your intended return from Italy.
- Your passport must contain at least two empty visa pages. The last three pages of your passport are not considered visa pages.
- Many of you are currently experiencing difficulties with delays in passport processing. If you are still waiting for your passport to be issued, please submit all other documents that do not require your passport number to International Programs as soon as possible. Once your passport is issued, please sign the signature line and send to International Programs via overnight mail.

IDENTIFICATION
For U.S. citizens: A notarized photocopy of your certificate of domicile, or driver’s license, or state I.D. Card must be submitted. A blank form and example are included in this packet.

For non-U.S. citizens: A notarized photocopy (front and back) of your “Green Card” (U.S. Alien Registration Card) or other visa for the United States and a notarized photocopy of your certificate of domicile, or driver’s license, or state I.D. card must be submitted.

CONSULATO GENERALE D’ITALIA FORM
This signature form is required by the Italian Consulate in Miami to authorize an International Programs representative to apply for a visa on your behalf. Please print and fill it out in black pen.

DECLARATION FOR MAILING PASSPORTS
This form is required by the consulate for all visa applications. Please DO NOT provide a prepaid shipping label. This will be provided by International Programs. Note: If you are a US Citizen your passport was issued by “U.S. Department of State”. Please print and fill it out in black pen. An example of this form is in this packet.

FSUCard
Students will need an FSUCard (student ID) to ensure they meet the residency requirements for the Italian Consulate of Miami. If you do not have an FSUCard already, you can apply for your FSUCard online or in-person at the FSUCard center in Tallahassee. Students who apply online will have an International Programs representative pick-up their card on their behalf and ship it to them with their approved visas. Students must apply for their FSUCard before **June 10th**. We highly recommend doing so sooner than the deadline as the FSUCard center could face potential delays beginning late May due to freshman orientations. Further instructions on how to apply for an FSUCard will be included in this document. If you chose to apply for your FSUCard in-person, please send a photocopy of your card with the rest of your packet. If for any reason you cannot get an FSUCard please email IP-Visas@fsu.edu ASAP.

FINAL REVIEW AND SUBMISSION

Review: Please review all previous steps and be 100% certain you have correctly filled out your application and have included ALL required supporting documentation. Please use the enclosed checklist to ensure all documents are completed. Make sure that all documents are signed and/or notarized in the appropriate places. It is important that you contact ip-visas@fsu.edu if you are unclear on any part of the process.

In Person: You may submit your visa documents to the International Programs office in person between 9AM and 4PM, Monday – Friday. Please be sure to submit documents directly to an International Programs employee. While your visa documents may not be reviewed that day, please monitor your IP Student Portal and FSU email address for updates.

Mail: You can mail using the courier service of your choice, however, please ensure that it is trackable. We recommend using FedEx or UPS. Sending by non-trackable mail (Ex: USPS First Class Mail) increases the risk of important documents, such as your passports, being lost enroute to International Programs. Please allow up to one week for your visa packet to be checked. Your passport and visa application will be securely stored while awaiting review.

Application Status: Please check your IP Portal frequently. If the checklist item “Visa Packet” indicates “Completed” then everything was submitted correctly. If there is an error in your visa submission, your status will not change, and you will be notified via email.

**Please note that Immigration regulations are outside the control of International Programs and can change at any time. We will notify you on any immigration updates.**

PICK UP / DELIVERY OF PASSPORT AND VISA

The processing time can take up to five weeks from the day your application is received by the Miami Consular office. It is estimated that your visa will arrive sometime in early August.

Once the visa has been issued, you (the student) will be notified by a portal notification. Please make sure to monitor your emails, including your junk/spam box. You will be sent a survey in your IP Portal in which you can indicate whether you would like an appointment to pick up your passport or would prefer it mailed to you. If you would like it mailed, you will need to indicate the following:

1. The address for the passport/visa to be returned.
2. A date/time when someone will be available to sign for the passport.
3. A phone number for FedEx overnight delivery.

Once the passport and visa are returned to you, please be sure to check the spelling of your name and that the dates of your visa are correct. If there is any inaccurate information on your visa, please contact Moira Mozo immediately. If you have any questions or concerns regarding passports or the visa process, please contact:

The Schengen Area is comprised of 26 European counties that have abolished passport and border control at their common borders. A list of Schengen Area countries is shown above. These 26 countries are considered one immigration entity. When you first enter one of the 26 Schengen Area countries, you will go through immigration and your passport will be stamped (e.g. travelling from the United States into Spain). When you travel from one Schengen country to another, you do not go through immigration and your passport is not stamped (e.g. travelling from Spain to Italy). When you exit the Schengen Area, you go through immigration again and your passport is stamped. For example, when traveling from Spain back to the US or from Spain to the UK you will go through immigration and your passport will be stamped.

Please note: the UK is not considered part of the Schengen Area. U.S. Citizens have six months inside the UK as a tourist without a visa.
