FINAL REVIEW & SUBMISSION INSTRUCTIONS

Ctrl + Click among the Table of Contents to navigate the document
It is now time to begin the process of obtaining your Spanish student visa. As a student studying in Valencia, Spain you must obtain a visa. The receipt of a visa is a privilege, not a right. Each foreign country has the authority to establish its own parameters for granting a visa and you MUST abide by all requirements.

We will be applying for the visa on your behalf, therefore, please submit your visa application and all supporting documents to International Programs no later than 

**MONDAY, JUNE 13TH, 2022.**

Please be sure to read this document in its entirety as it contains pertinent information regarding your immigration documentation and travel.

**PASSPORTS**

A passport book is required for travel for your program.

If you:

- **DO NOT HAVE A PASSPORT**
- **DO NOT HAVE A CURRENT PASSPORT THAT MEETS ALL VISA AND VALIDITY REQUIREMENTS**
- **HAVE NOT YET APPLIED FOR A PASSPORT**

Please contact ip-visas@fsu.edu IMMEDIATELY.

If you already have your passport, please verify the following visa and validity requirements:

- Your passport has validity for at least 6 months beyond your planned return from Spain
- Your passport contains at least 2 blank visa pages

Processing times for passport applications are significantly delayed, so it is imperative that you apply for your passport **AS SOON AS POSSIBLE**, if you do not already have one.

If you are currently awaiting issuance of your passport, please contact us at ip-visas@fsu.edu.

**RETURN OF YOUR PASSPORT**

Once your visa application is processed, approved, and returned by the Consulate you can choose to:

- Pick up your passport and visa directly from FSU International Programs
- Have your passport and visa mailed to you by FSU IP

More information is included below in the **FINAL REVIEW & SUBMISSION INSTRUCTIONS.**

**NON-U.S. CITIZENS**

The requirements for non-U.S. citizens applying for visas are slightly different than those for U.S. Citizens. Rules, requirements, and procedures change frequently; however, please be advised that you will need your Permanent Resident Card or U.S. visa allowing you to return
after your time in Spain. If you hold a passport within the European Union, you may not be required to obtain a visa.

Any non-U.S. citizen planning to travel abroad with IP is to contact us at ip-visas@fsu.edu.

STUDENTS UNDER 18
Students under the age of 18 are required to complete additional documentation. This process is only required for students who will be UNDER THE AGE OF 18 as of THURSDAY, JULY 7TH, 2022.

Further information and instructions regarding requirements for students under 18 can be found on your IP Student Portal.

It is crucial to begin this process IMMEDIATELY as there are many factors that can lead to delays and potentially impact your travel. If you have any questions or difficulties, please contact ip-visas@fsu.edu.

FSUCARD
You are required to submit a clear photocopy of your FSU student ID card with your visa application. If you do not have an FSUCard, please follow the guidance included in the SPANISH STUDENT VISA APPLICATION CHECKLIST section of your Visa Packet.

NON-FSU STUDENTS
If you are a non-FSU student, and your university is in FLORIDA, GEORGIA, or SOUTH CAROLINA please submit a photocopy of your student ID from your enrolled university.

If you are a student from a university outside of the states listed above, please contact us at ip-visas@fsu.edu for further instructions.

INTERNATIONAL TRAVEL BEFORE PROGRAM
A visa is a seal that is affixed inside the passport; therefore, you will be required to submit your original passport to International Programs with your visa application for processing. For this reason, international travel may be limited in the months before the start of the program.

If you have summer international travel plans, please contact us IMMEDIATELY at ip-visas@fsu.edu.

IMPORTANT WARNING
Please be aware that any expenses incurred during the visa process are completely non-reimbursable by International Programs under any circumstance.

We MUST receive your student visa application and supporting documents by MONDAY, JUNE 13TH, 2022, in order for FSU International Programs to apply for your visa on your behalf.

Return to Table of Contents
If you choose to obtain your student visa on your own, please be aware that failure to obtain a student visa does not release you from responsibility of the full program fees.

If you are unable, for any reason, to submit your visa application by the deadline, please contact International Programs IMMEDIATELY at ip-visas@fsu.edu
The Schengen Area is a region comprised of 26 European countries that have officially abolished all passport and border control at their mutual borders.

When you first enter the Schengen Area, you must go through immigration and your passport will be stamped.

- Example: Traveling from the United States to Spain.

TRAVELING WITHIN THE SCHENGEN AREA
When you travel from one Schengen country to another, you are not required to go through immigration or receive a stamp in your passport.

- Example: Traveling from Spain to Italy.

EXITING THE SCHENGEN AREA

Please contact us at ip-visas@fsu.edu if you are unclear on any part of the process.

SUBMISSION TO FSU IP
Once you have reviewed all previous steps and referenced the STUDENT VISA APPLICATION CHECKLIST, your visa application is ready for submission!

You have the option to submit your completed application in-person at the FSU International Programs Office or via Mail:

MAILING
Please mail ALL application documents to International Programs at the following address:

Suite A5500
Tallahassee, FL 32306-2420

When mailing FSU IP your application:
• Your shipment MUST BE TRACKABLE
  Mailing by non-trackable mail (Ex: USPS First Class Mail) increases the risk of important immigration and identity documents being lost in route to International Programs.
• Please ensure that your shipment will arrive to International Programs NO LATER THAN MONDAY, JUNE 13TH, 2022

We recommend using UPS or FedEx to ensure accurate mailing times. Please be aware that using USPS First Class mail could result in delayed mailing times.

Please allow up to one week for your visa packet to be checked. Your passport, visa application, and all supplemental documents will be securely stored while awaiting review.

IN-PERSON DROP OFF
If you are currently in the Tallahassee area you may submit your application documents in-person to the International Programs Office.

The FSU International Programs Office is open MONDAY through FRIDAY, 9AM – 5PM.

When you arrive at the IP Office, please inform staff at the front entrance that you are dropping off your visa materials. If available, you will be directed to an Immigration and
Passport Coordinator, and they can review your materials for completion and correctness. If an Immigration and Passport Coordinator is not available, IP staff will collect and safely store your documents until they can be reviewed.

APPLICATION STATUS
IT’S IMPORTANT THAT YOU CHECK YOUR STUDENT PORTAL REGULARLY.

Following the submission of your visa application materials, we will communicate all status updates through the student portal. Please be sure to review the checklist item VISA DOCUMENTATION SUBMISSION as this will be updated to inform you whether your application is complete OR if there are any errors requiring immediate attention.

Please Note: Immigration regulations are outside the control of FSU International Programs and can change at any time. We will notify you of any pertinent immigration updates.

RETURN OF PASSPORT & VISA
Please Note: Processing times at the Consulate can vary, please note that your passport and visa may be returned to you as late as late-August.

Once student visas have been issued, a survey will be posted on your student portal to confirm the following:

• Your preferred mailing address
• A specific date you will be available to sign for the delivery

YOUR VISA WILL NOT BE SENT UNTIL THE SURVEY IS COMPLETED. Once the passport and visa are returned to you, please be sure to check for correct spelling of your name and confirm that the dates of your visa are accurate - the date format will be MM-DD-YYYY.

Important: Even though you are applying for a full year, your visa will only show validity for 90 days (September – December). While you are in Spain, the staff will assist you with obtaining your RESIDENCY CARDS, which authorizes your stay in Spain for the entire year.

If you have any questions or concerns regarding passports or the visa process, please email ip-visas@fsu.edu or call (850) 644-1927.
